VOLVO PENTA

Heavy Vehicle Capability Statement

About Us

CPR are an industry leader in heavy vehicle servicing, scheduled maintenance, diagnostics and repairs.

Based in Rutherford NSW we are positioned perfectly to service heavy vehicle operators within the Newcastle, Hunter, Central Coast and Mid North Coast regions.

CPR operate out of a large modern six bay workshop facility with the latest tooling and diagnostic technology on hand enabling us to offer the best possible service to our valued clients.

We offer a quality, reliable service at an up-front and honest rate - including 24/7 mechanical and auto electrical breakdown services as well as onsite fabrication backed by our ISO9001, ISO14001 and ISO45001 certifications.

LOST TIME ZERO ACCIDENTS

What sets us apart

The quality of service we provide to all our customers is what sets us apart from the pack.
