

*"Your Complete Maintenance Solution"*

Heavy Vehicle  
**Capability Statement**

# About Us

CPR are an industry leader in heavy vehicle servicing, scheduled maintenance, diagnostics and repairs.

Based in Rutherford NSW we are positioned perfectly to service heavy vehicle operators within the Newcastle, Hunter, Central Coast and Mid North Coast regions.

CPR operate out of a large modern six bay workshop facility with the latest tooling and diagnostic technology on hand enabling us to offer the best possible service to our valued clients.

We offer a quality, reliable service at an up-front and honest rate - including 24/7 mechanical and auto electrical breakdown services as well as onsite fabrication backed by our ISO9001, ISO14001 and ISO45001 certifications.

## What sets us apart

The quality of service we provide to all our customers is what sets us apart from the pack. Our teams' broad range of expertise is brought together by strong leadership to provide quality solutions to any situation. Our dynamic structure means we can react to client needs and get you back up and running sooner.

## Safety

CPR maintains a comprehensive safety management system to ensure the highest level of safety for all our personnel. All staff are fully trained in safety systems and safe work practices and strive to maintain a zero-harm workplace.
